## WHAT ARE SUMMER ARTS WORKSHOPS?

Join us at Blaffer Art Museum at the University of Houston for **What If? Imagining Time and Place**. In these hands-on art-making workshops, young artists journey through their own imaginary times, envisioning possible histories and mythologies, past and future. Individual and group projects in two and three dimensions are accompanied by museum tours that teach children about contemporary art. *Space is limited for each workshop.*

## WHO CAN ATTEND?

Workshops are open to children ages 6 – 12. No prior art experience is necessary.

## HOW DO I SIGN UP?

Please complete the form below and return with payment to register. We accept cash, checks and credit cards.

A limited number of scholarships are available to provide half off the tuition. The scholarship application deadline is May 1, 2018.
